

FOR IMMEDIATE RELEASE: October 2016

## FALL ELECTION RESULTS

King's University College Community:

London, ON, October 14, 2016 – As announced at the All Candidates Meeting on Friday, September 23<sup>rd</sup>, any Fall Elections candidate who ran opposed would have to campaign. All candidates were provided an elections timeline and began campaigning on Monday, September 26<sup>th</sup> until Sunday, October 2<sup>nd</sup>. Voting followed the subsequent Monday, October 3<sup>rd</sup> until the evening of Tuesday, October 4<sup>th</sup>, and then election results were to be released on Wednesday, October 5<sup>th</sup>.

Unfortunately, due to an error in voting segmentation, the ballots cast for First Year Residence, First Year Off-Campus, and BMOS representatives were deemed to be invalid. Candidates were informed of this issue and a second election was held, this time with the proper segmentation of eligible voters.

Notably, there were some technical difficulties during the second vote for the BMOS representative where some BMOS students were unable to cast their ballot. However, both candidates were informed of this situation, provided their feedback regarding the issue, and all grievances were resolved.

The Chief Returning Officer, Nic Tilbury, announced the election results on Thursday, October 13<sup>th</sup>, 2016 at 10:00 PM in the KUCSC boardroom. We would like to congratulate the following representatives on being elected into their King's University College Students' Council (KUCSC) positions for the 2016/2017 academic school year:

- **KCC Representative:** Ben Drummond
- **BMOS Representative:** Simran Sandhu
- **First Year Residence Representative:** Esther Chew
- **First Year Off-Campus Representatives:** Mathieu Laroque-Jarvis and Russell Spylo
