

KUCSC Declaration of Campaign Team and Non-Arm's-Length Parties

“**Non-arm’s length party**” means an individual, group or corporation who a candidate knew, or reasonably ought to have known, would assist that candidate with her campaign.

“**Arm’s-length party**” means any individual or group who is not a “non-arm’s-length party.”

There can be a maximum of ten (10) members for each campaign team (excluding the candidate themselves) that will be considered non-arm’s-length parties.

Failure to submit this form to the Chief Returning Officer (CRO) by the conclusion of the All Candidate’s Meeting could result in the issuing of demerit points by the Elections Committee as per the KUCSC By-law #2 Section 6.1.

Candidates shall be responsible for the actions, and violations stemming from such actions, of any non-arm’s-length party unless the Candidate satisfies the Committee that he or she did not direct the action, and could not have reasonably foreseen that the action would occur. Candidates may dissociate themselves from any person or organization who would otherwise be considered non-arm’s-length, provided that they give immediate notice to the CRO, in writing, and provided the Committee is satisfied that the dissociation is genuine.
